

5 students from Gymnasium in Novi Pazar have realized project 'Make it clean, makes you smile' which is financed by American State Department. Students who took part in this project are Anel Bajrovic, Mihailo Jevtovic, Danilo Radetic, Ana Colovic and Emir Gracanin.

After their arrival from USA they have done project 'Make it clean, makes you smile with budget of 1000\$.

First part of the project was realized in the end of December 2010. Five concrete waste-bins were bought in order to raise hygiene and make better appearance of school- budget 500\$.

Realization of the second part should start soon and the rest of the money will be spent on benches for school yard.
